### Let's Get Creative!

- 1** Using the Template, trace the Ferret Head onto the Tan Card Stock Paper. Cut out and glue to one end of the Popsicle Stick.
- 2** Trace the facial features of the Ferret on the different colors of card stock. The muzzle will be made using White card stock. The top half of the face will be Brown. Cut out 2 small curved pieces from the Pink card stock to form the inside of the ears.
- 3** Glue the pieces on and draw the eyes, nose, whiskers, & lips using a Black Sharpie. Using White paint, add a large dot in the center of each eye with a tiny White dot just above it.
- 4** Using the Black card stock, cut a rock shape that is 4.5" tall by 5" wide with the bottom half wider than the top. Cut a 1" horizontal slit in the rock about 1" from the bottom.
- 5** Cut 3 leaf shaped strips from Green card stock and glue onto both sides of the rock close to the bottom to form grass.
- 6** Insert popsicle stick in the slit on the rock.
