

Twas the night before Christmas and  
all through the house, not a creature  
was stirring, not even a mouse.

### What you will need

- 2 colors of felt
- Small candy cane
- 3 small black pom pons
- Hot glue
- Scissors

### Let's get creative

**Note:** Adult supervision is needed when using scissors and hot glue gun.

- 1** Cut out an egg shaped piece and an hourglass shaped piece of felt. Cut two parallel slits horizontally at the wide end of the egg shape, and two vertical slits in the middle of the egg shape.
- 2** Cut two almond shapes out of the other felt and glue to the ends of the hourglass shape. Glue one small pom pon at the tip of the egg shape and two behind it to make the eyes.
- 3** Insert hourglass shape (ears) in the two vertical slits and the candy cane (tail) in the two horizontal slits.
