- Dry Farfalle (Bow-Tie) Pasta
- Mini ribbon roses
- Seed Beads
- Metal Key Ring
- Paint
- Pin Back

Let's Get Creative!

- 1** Glue two pieces of pasta together in a cross shape and allow to dry. Paint metallic, white, or any color of your choosing.
- 2** Coat the top part of the pearl bead and then dip into the seed beads to make a head shape with hair. Allow to dry.
- 3** Glue the head piece to the pinched area of the bowtie pasta (see pictured) and glue the key ring on the back, encircling the head. Glue the ribbon rose to the front.
- 4** Glue a pin back to the back of the angel and give to your friends once dried. Try attaching to your fun patches!
