Let's get creative

Preparation Notes.

- 1 Cut out a piece of twine or string about 10 inches long and tie it to the top of your pinecone.
- 2 Carefully spread the peanut butter onto the pinecone, making sure you get a little bit on each one of the pinecone scales..
- 3 Once you're happy with the amount of peanut butter, grip the pinecone at both the top and bottom and dip it into a bowl of birdseed. Dip and roll all sides of the pinecone until the peanut butter is completely covered with birdseed.
- 4 Then go ahead and hang them somewhere outside.
