

### Let's get building

### Preparation Notes

**1** Use your measuring tape and pencil to mark your picket for each part.

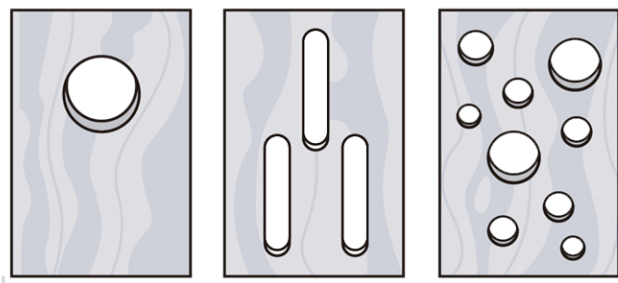

**2** Using the order as shown on the photo cut the pieces from the picket.

Decide on what type of "Friends" you would like to house – and cut the entry holes in the FRONT before assembly.

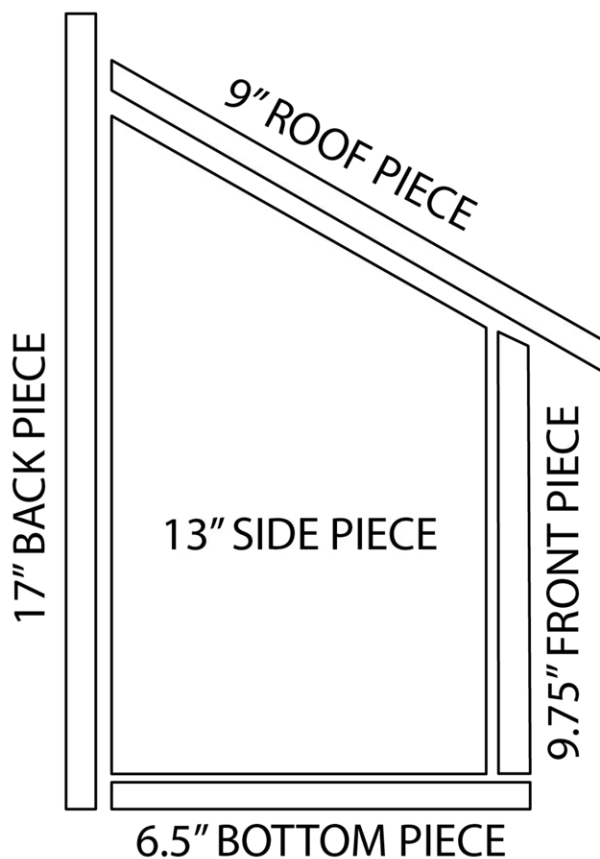

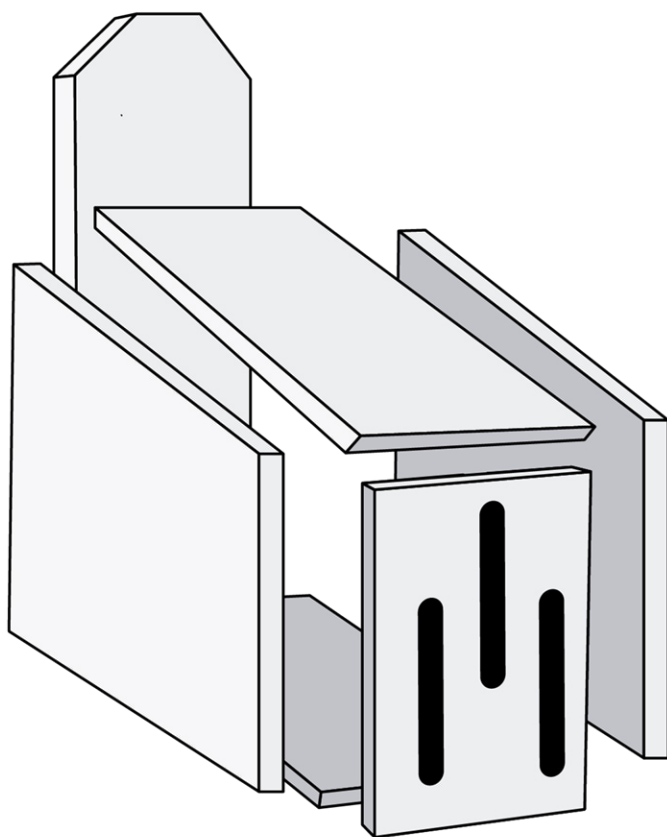

**3** Bird Holes are about 1 5/8 to 1 7/8" in Diameter, Bug holes can be a variety of sizes, Butterfly slits can be about 3/8 – 1/2" Wide and 4" long.

**4** Assemble the parts using Wood Glue and Finish Nails.

**5** Find a great place in the garden to hang your house.
