

What you will need

- 2 regular sized candy canes
- 1 red pom pon
- 2 google eyes
- Twine
- Scissors
- Hot glue

Let's get creative

Note: Adult supervision is needed when using scissors and hot glue gun.

- 1** Glue two candy canes together back to back.
- 2** Glue twine to the bottom of the candy canes, and wrap tightly around the canes, glueing occasionally.
- 3** Stop when you have wrapped 3 inches and glue down the end of the twine. Cut a piece of twine and shape into three loops (ears and hanging loop). Glue to back.
- 4** Glue the red pom pon to the bottom of the candy canes and two google eyes an inch down from the top of the twine.
