

A great way to
display patches for
awards ceremonies!

What you will need

- Fun Patches
- Toilet Paper Roll
- Markers
- Construction Paper
- 4 Push Pins
- Glue Stick
- Scissors

*Feel free to add other found items to your craft and get creative!

Let's Get Creative!

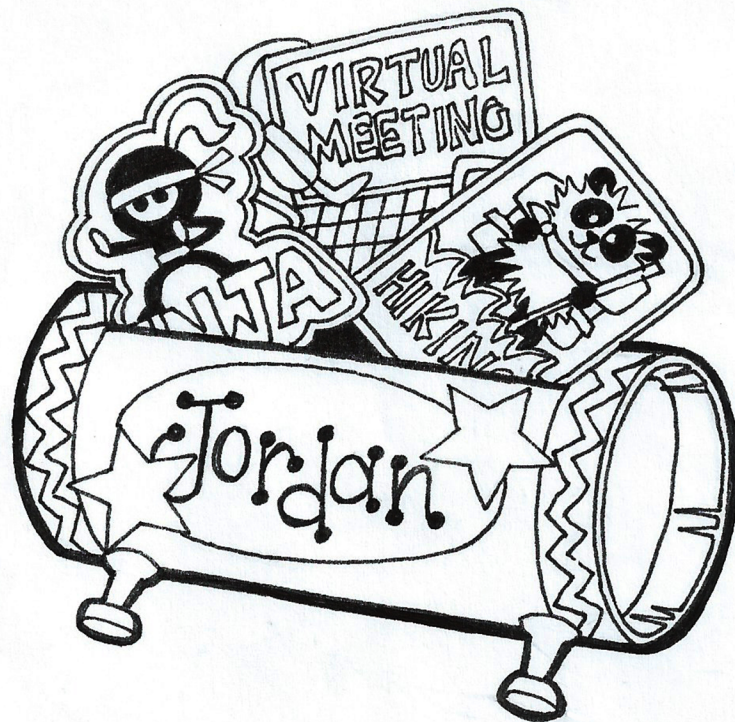

1 Do your best to pull off all of the toilet paper remnants from the cardboard roll. Using the scissors, cut a long vertical slit in the roll where your patches will go.

2 Use pieces of construction paper, glue and markers to decorate the outside of the roll. If you end up covering the slit you cut earlier, tuck the overlapping pieces into the slit to hide them.

3 Cut an additional shape out of construction paper and write your name on it with marker. Glue to the area underneath the slit and put the finishing touches on the roll.

4 Push the four pins into the bottom of the roll to keep it standing upright. Fit your fun patches into the top slit and get ready for your event!
