## Let's Get Creative!

## Easter Egg Caterpillar

- 1** Separate tops and bottoms of easter eggs
- 2** Using the hot glue gun, glue the egg halves to each other facing the same direction, alternating colors. The face will be the only egg shell that closes onto another.
- 3** Cut two small antennae from one larger pipe cleaner, then hot glue them to the head along with googly eyes.
- 4** Use black marker to add details
