

## What you will need

- White paper cup
- White paper
- Black Marker
- 2 Googly Eyes
- Glue
- Scissors

## Let's get creative

- 1** Use the scissors to poke two holes in the bottom of the paper cup, about an inch apart.
- 2** Cut a piece of string about a foot long. Fit each end of the string through each hole and pull through. Reaching inside the cup, tie the ends in a knot. Pull the string back outside the cup.
- 3** Use the scissors to cut long strips along your piece of paper, being careful not to cut all of the way through. Leave about an inch at the end of each cut. You should end up with a comb shape.
- 4** Use the black marker to draw a ghostly face onto your cup.
- 5** Run a line of glue along the inside rim of the cup. Roll the piece of paper and insert the uncut end into the cup. Secure it in place and hold for a few moments to make sure it sticks.
- 6** Glue the googly eyes to your ghost and hang somewhere spooky!
