

Brighten up your garden with this simple craft!

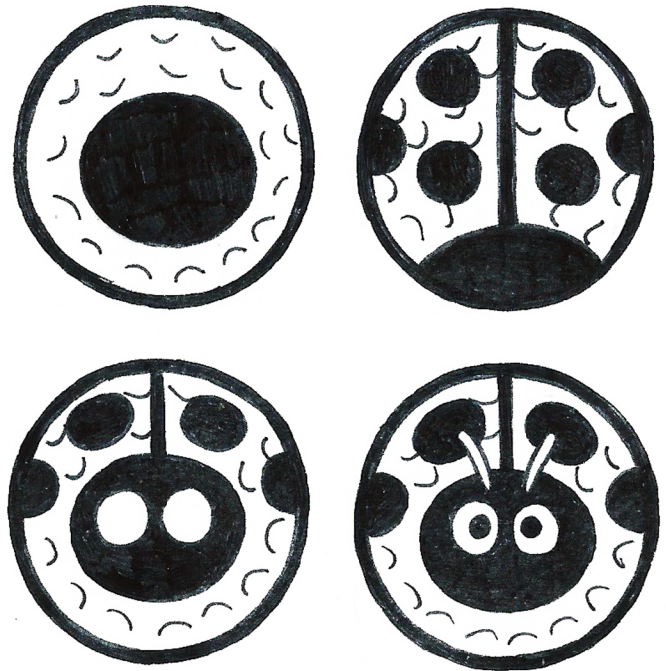

What you will need

- Golf Balls
- Red Paint
- Black Paint
- White Paint

Let's Get Creative!

- 1** Make sure your golf balls are clean before painting them solid red. Allow to dry.
- 2** Using black, paint a large circle on one side. This will be the head.
- 3** Starting at the black circle, paint a black line going all the way back.
- 4** Add several black spots in the red areas. Allow to dry.
- 5** Using white paint, add two spots on the head for eyes. Once dry, add two black dashes above the eyes for antennae and allow to dry.
- 6** Set your ladybugs in your garden soil or potted plants for a cute pop of color!
