

What you will need

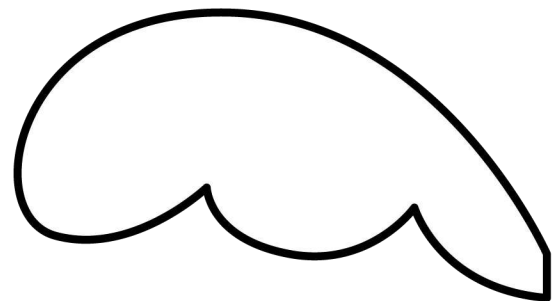

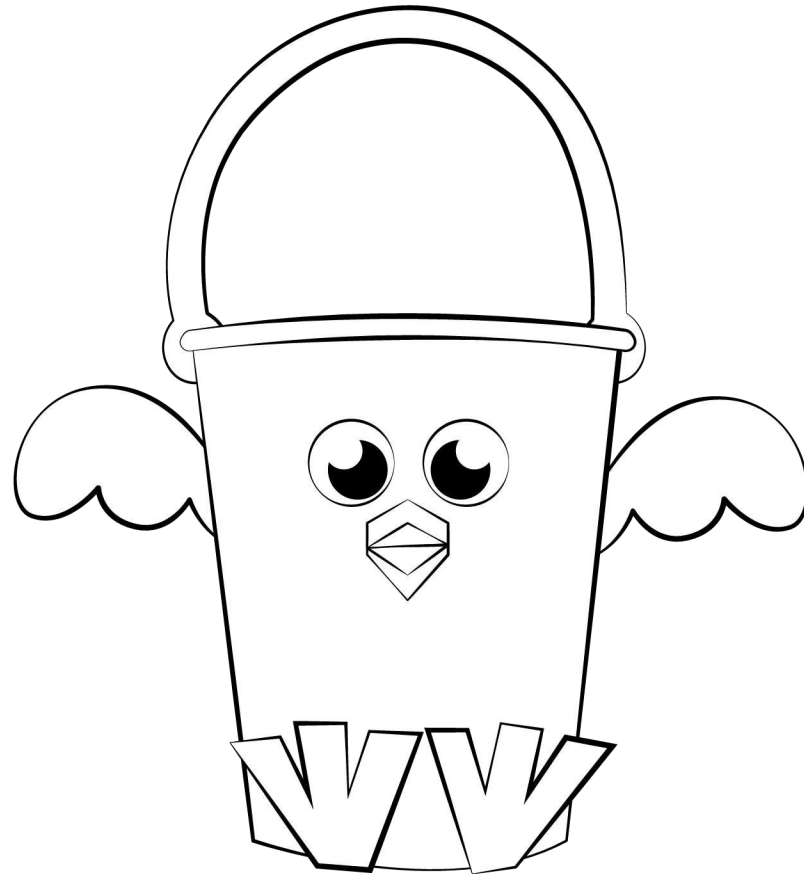

- Small paper cup (5 to 9 oz.)
- Yellow acrylic paint
- Yellow cardstock or construction paper
- Orange craft foam or construction paper
- Pipe cleaner or ribbon
- Wiggle eyes
- White glue
- Scissors
- Paint brush
- Hole punch tool

Let's get creative

- 1** Paint the paper cup with yellow paint and set aside to dry.
- 2** Glue a pair of wiggle eyes.
- 3** Create a beak by cutting two small triangles from orange foam or construction paper and glue the beak on the cup.
- 4** Make a pair of feet using orange foam or construction paper. Each foot looks like a letter "W" without the cut-away at the bottom. Glue the feet at the bottom of the cup.
- 5** Use the wing template from our printable to create a pair of wings using yellow construction paper.
- 6** Glue the wings onto the sides of the paper cup.
- 7** Make a handle by punching a pair of holes on the cup—one hole above each wing and close to the cup's mouth. Add a pipe cleaner or ribbon to make the handle. Attach the ends onto the pair of holes on the paper cup.
- 8** You did it! Fill chick basket with goodies, crafts, or even an Easter eggs.

You're done!
