

Supplies:

Scissors
Template
4 sheets of colored tissue paper
String
Masking Tape

Directions:

Fold the sheets of tissue paper in half.

Cut out the template and fold in half along the dotted line.

Stuff the tissue paper into the folded template (with the seams pointing the same way) and tape the sides so the paper doesn't slide around.

Use the scissors to carefully cut out the grey areas of the pattern. If you can't reach an area, fold the paper in that spot to make a cut.

Unfold and lay string across the tops of the pieces.

Fold the tops of the paper over the string and tape in place.
