

What you will need

- White Paper Plates
- Craft Sticks
- Washi Tape
- Googly eyes
- Acrylic Paints / Watercolors
- Markers
- Paint brushes
- White glue

Let's Get Creative!

- 1** Decorate the paper plates: Paint the backside of the paper plates with watercolors, acrylics or markers
- 2** Decorate the craft sticks: You can paint the craft sticks with acrylics, markers or just decorate them with different Washi tapes.
- 3** Glue two googly eyes on top of the craft stick and draw a cute smile just below the eyes.
- 4** Cut the paper plates in half, then layer the paper plate halves together and cut a rounded "V" shape in the middle of the plates as shown on the image.
- 5** Glue the paper plate pieces together and place the butterfly body between the paper plate sides and press to secure. Set aside to let dry.
