

## What you will need

- Empty Toilet Paper Tubes
- Crepe Paper Streamers in Red and White colors
- Blue & White Acrylic Paint
- Paint Brushes
- Glue

## Let's Get Creative!

- 1** Paint the outside of the toilet paper tube in Blue color.
- 2** Stick star stickers over the outside of the tubes.  
\*If no stickers available, use the White paint to decorate the tube.
- 3** Cut pieces of streamers about 12 inches long. You will need 3 Red and 3 White pieces for each blower.
- 4** Put a little line of glue on the top edge of a Red streamer and stick it to the inside edge of the tube.
- 5** Put a little line of glue on the top edge of a White streamer and stick it to the inside edge of the tube but overlap it about halfway on the Red one. Continue with this pattern until you have all the streamers glued on.
- 6** With your scissors, cut the strips up the center lengthwise until you get to the edge of the tube. Your 6 streamers should now look like 12 thinner pieces.
- 7** Hold the tube a little bit away from your mouth and blow, the streamers will blow out like a blower.
