

## What you will need

- 12 popsicle sticks
- Orange paint
- Rafia
- Googly eyes
- Orange Felt
- Fall Flower
- Black Sharpie
- Glue Gun and glue
- Scissors

## Directions:

- 1** Cut off the round ends of two popsicle sticks. Lay out 9 popsicle sticks neatly together to form a rectangle. Glue the two trimmed sticks across the 9 sticks to form a support.
- 2** Flip over and use the orange paint to paint on the top portion of the rectangle. Use the paint to coat the last popsicle stick. Allow to dry.
- 3** Cut out a triangle shape out of felt and glue to the center of the unpainted area of the rectangle to make a nose. With a marker, draw a mouth below the nose.
- 4** Use the glue to stick strands of rafia to either end of the single painted popsicle stick on the unpainted side. Glue the popsicle stick horizontally across the face, making sure to cover the edge of where you painted.
- 5** Glue the googly eyes above the nose and glue the flower where you would like on the hat.
