

What you will need

- Styrofoam Bowl
- Googly Eyes
- Markers, Pens, Stickers.
- Paint Brush
- Scissors
- Card Stock
- Paint
- Glue

Let's Get Creative!

- 1** Paint the bowl as a turtle shell or with your favorite pattern and colors. Allow to dry.
- 2** On the card stock, cut out the shapes of the turtle head, legs, & tail.
- 3** Use glue to attach the card stock shapes to the outer part of the bowl.
- 4** Glue the googly eyes to the head and you are finished.
