

Did you know?
The longest-observed rainbow
lasted for nearly 9 hours in the
mountains of Taipei, Taiwan.

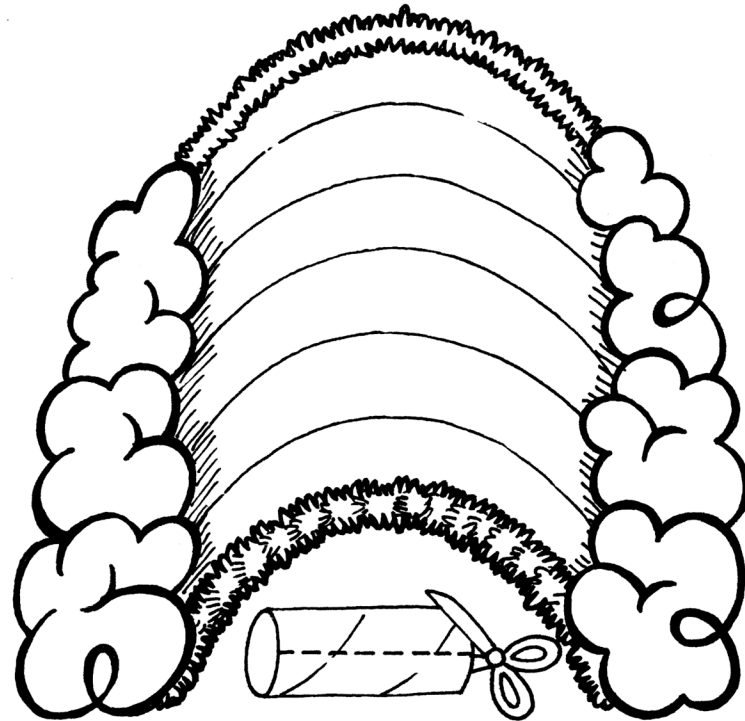

What you will need

- ☐ Toilet Paper Roll
- ☐ Scissors
- ☐ Pipe Cleaners
- ☐ Cotton Balls
- ☐ Paint and Brushes
- ☐ Hot Glue and Glue Stick

Let's Get Creative!

- 1** Using scissors, cut along the length of a toilet paper roll on one side and unroll.
- 2** Paint the roll in alternating colors. Allow to dry.
- 3** Hot glue pipe cleaners along the edge of the rainbow arch. Trim off any excess pipe cleaner.
- 4** Hot glue cotton ball clouds along the sides of the rainbow.
