

What you will need

- ☐ Recycled toilet paper rolls
- ☐ Glue
- ☐ Coloured craft papers
- ☐ Coloured cardstock paper
- ☐ Scissors
- ☐ Markers, crayons, colored pencil, etc. to color and decorate the rockets
- ☐ FREE Rockets Template

Let's Get Creative!

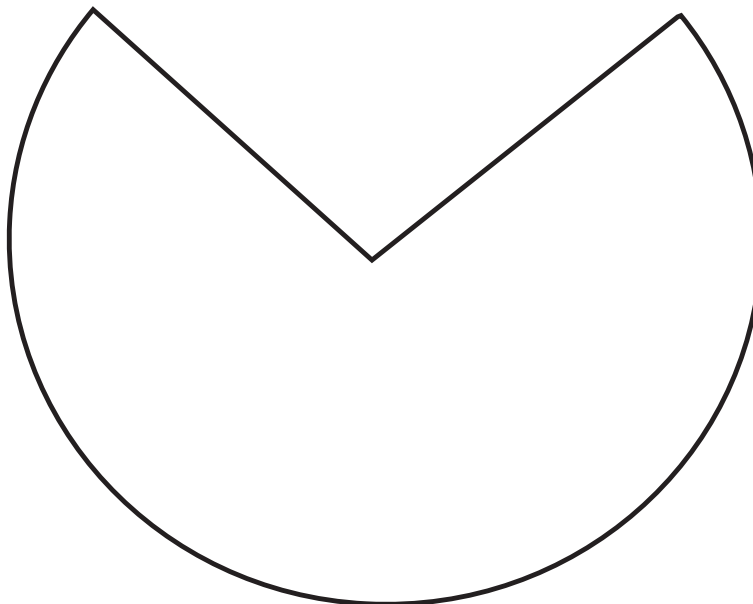

- 1** Print out our FREE rocket template. Use cardstock papers for the top cone and the stands of the rocket.
- 2** You can use coloured craft paper to cover the toilet paper rolls or you can color them with paint and decorate with markers, stickers, etc.
- 3** Take the pattern for the cone and apply glue along any one of its straight end, bring the 2 straight ends together by overlapping them and joining them along the glued part.
- 4** Cut a 1-inch slit from the bottom open end of the roll; you will need to cut 4 slits on the bottom end of the roll cross-wise.
- 5** Cut 1-inch slits along the marked lines on the stand patterns and attach them with the roll by inserting them through the slits.
- 6** Finally attach the cone on the top end of the tissue paper roll rocket.
