

What you will need

- Clean Toilet Paper Roll
- Paint
- Pipe Cleaner
- Hole Punch
- Scissors or cutting implement
- Electric Tea Light
- Hot Glue

Directions:

- 1** Paint your toilet paper roll with fun colors and patterns. Red and Gold are lucky colors. Allow to dry.
- 2** Using scissors, carefully cut the toilet paper roll vertically several times, leaving a half-inch uncut on both ends. Once you have made it all the way around the roll, push the ends together to make the middle part bend outwards.
- 3** Use a hole punch to punch two holes at the top of the lantern. Tie a pipe cleaner's ends to each hole, making a handle.
- 4** Hot glue around the inside of the bottom end of the lantern and insert an electric tea light.
