

What you will need

- Toilet Paper Roll
- Battery Operated Tea Light
- Parchment Paper
- Glue Gun
- Glue Sticks
- White Paint
- Paint Brush

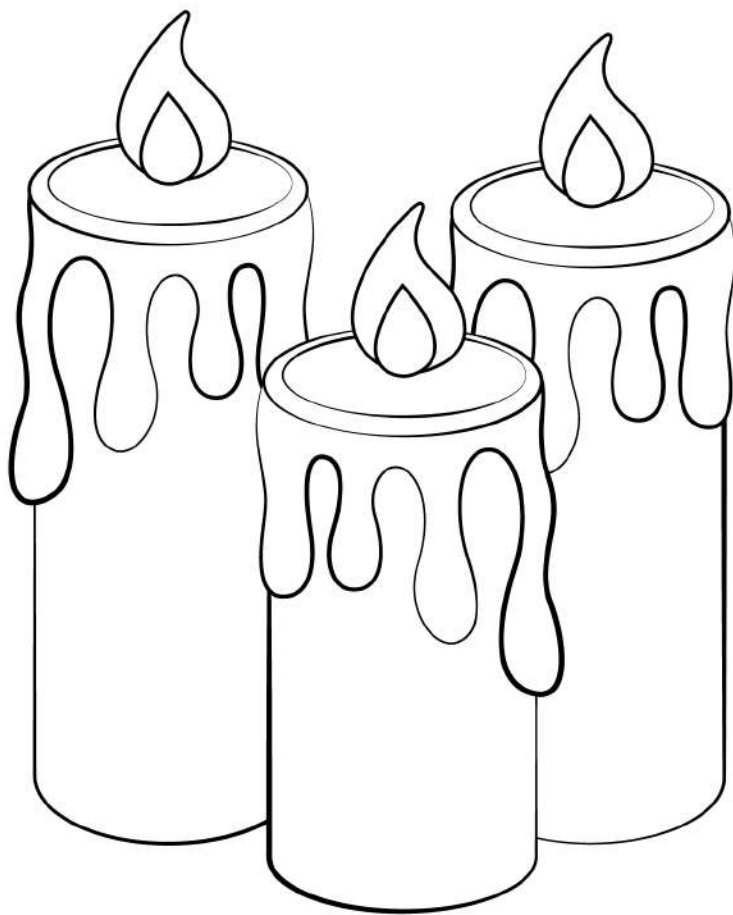

Let's Start!

- 1** Lay down a piece of parchment paper to prepare for your craft.
- 2** Use Hot Glue to make the 'Melted Wax' on the top of the Toilet Paper Roll. Just start adding glue to the rim and let it drop down. Set to cool.
- 3** Paint the Toilet Paper Roll White and set aside to dry.
- 4** Place the battery-operated tea light at the top of the candle roll and you're done!

TIPS:

Use Paper Towel Rolls to create different size candles.
