### Let's get creative

### Preparation Notes.

- 1 Begin by taking your TP Roll and painting it in your desired color. Let dry fully.
- 2 Once the TP Roll is dry, you want to shape the top of your TP Roll Cat Box. Squeeze the middle of the top rim of your TP Roll. Then squeeze the other side, so it folds over the top!
- 3 Take a black pen and decorate with tiger features.
- 4 Remember to add the tiger's tail to the back!

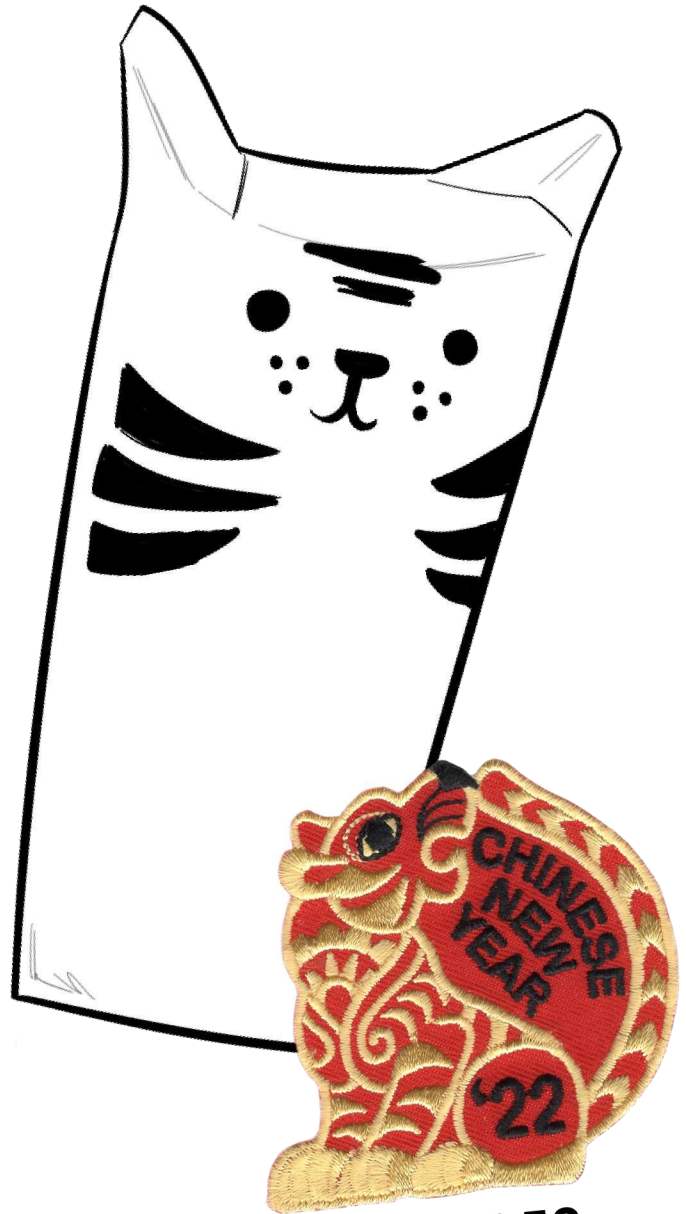

To make a closure at the bottom of the TP Roll Cat, you have two choices:

-Either-stuff with tissue paper as a closure (it works surprisingly well!)

-Or – cut four small slits into the bottom and fold over.

GIFT BOX ARE FINISHED!**
